

# Xtorm USB-C Hub HDMI

XC002

The USB-C™ Hub HDMI is part of the innovative and elegant Connected Series. The premium Hubs from this product range will expand your Laptop with the connections you need.

## Connectivity

With the USB-C Hub HDMI, you always have an HDMI connection handy to connect your laptop to, for example, a projector or another screen. A must-have if you give presentations often.

## Quality design

Its functionality is enhanced further by the compact and slim design. This makes the Hub easy to take with you, ensuring that you can connect your laptop with an HDMI connection anywhere, any time. Additionally, the use of aluminium ensures that the Hub not only has an elegant design, but that it can take a punch.
